

Cambridge Paperback Guide To Literature In English

The Cambridge Guide to Fiction in English

Ian Ousby 1998-09-24 The Cambridge Guide to Fiction in English, an alphabetized reference work with over 2,000 entries, will be an invaluable resource to anyone with an interest in the novel, whether studying, teaching or reading for pleasure. Writers and major works from the UK and USA are represented, as are those from the rest of the English-speaking world - Canada, Australia, New Zealand, Africa, India, and the Caribbean. Particular types of novels (from the Gothic to the campus novel) receive detailed coverage as do trends in fiction (such as realism and naturalism) and popular genres (detective, spy and science fiction). Based on the Guide to Literature in English, this book has a substantial number of new entries and has been completely updated. An original and thought-provoking introduction analyses the historical development and current form of the novel; a selective bibliography indicates areas for further reading, and an appendix lists recipients of all the major literary prizes.

The Thing about Roy Fisher John Kerrigan 2000-01-01 The Thing about Roy Fisher is the first critical book to be dedicated to the work of this outstanding poet, who has won many admirers for his explorations of the modern city, his experiments with perception and sensory experience, his jazz-inspired prose, and his political and cultural comedies. The collection brings together a distinguished group of contributors: poets and critics, from several generations, active on both sides of the Atlantic. In a dozen newly commissioned essays they discuss the entire range of Roy Fisher's work, from its fraught beginnings in the 1950s through such major texts of the 1960s and 1970s as *City*, *The Ship's Orchestra* and *Wonders of Obligation*, to *A Furnace*, his 1980s masterpiece, and beyond. The essays are closely engaged with the fabric of Fisher's verse, but they also bring into view a fascinating array of connections between contemporary poetry and philosophy, psychology; the visual arts and jazz. The Thing about Roy Fisher ends with a full and up-to-date

bibliography; an essential starting point for further study of this versatile and complex writer, whose centrality and importance within modern English and European poetry is now more than ever apparent. Kerrigan and Robinson's collection provides a helpful introduction to Roy Fisher's work, and will be necessary reading for anyone with a live interest in modern poetry. "If you haven't been introduced before, meet Roy Fisher; a major figure of twentieth century literature-inventive, exciting and unpredictable."—Eleanor Cooke, *Raw Edge* "Roy Fisher's work is something altogether rare in contemporary British poetry."—David Sexton, *The Sunday Times*

[Subject Guide to Books in Print 2001 Great Britain](#) Richard S. Tompson 2014-05-14 An A-Z reference guide to significant people, ideas, places, and events in British history.

[Lingua Franca](#) 1995

The Best Books for Academic Libraries 2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers.

Brill's Companion to Aphrodite Amy Claire Smith 2010 In this book an international team of scholars from a wide range of academic fields and perspectives reevaluate the Greek goddess Aphrodite, her worship throughout the Mediterranean, manifold roles in Graeco-Roman antiquity, and reception through the Renaissance and beyond.

The Bookseller and the Stationery Trades' Journal 1992 Official organ of the book trade of the United Kingdom.

[The Cambridge Paperback Guide to Literature in English](#) Ian Ousby 1996-02-23 Derived from the parent Guide to Literature in English, this volume offers in concise form over 4,000 entries on literature in English from cultures throughout the world. Writers and major works from the UK and the USA are represented, as are those from Canada, the Caribbean, Australia, India, and Africa. The coverage is broad - from the classics of English literature to the best of modern writing. Additionally, the Guide has a wealth of entries on literary movements, groups or schools

in literature and criticism, literary magazines, genres and sub-genres, critical concepts, and rhetorical terms.

The Cambridge Guide to Literature in English Dominic Head 2006-01-26 This illustrated and fully updated Third Edition of The Cambridge Guide to Literature in English is the most authoritative and international survey of world literature in English available. The Guide covers everything from Old English to contemporary writing from all over the English-speaking world. There are entries on writers from Britain and Ireland, the USA, Canada, India, Africa, South Africa, New Zealand, the South Pacific and Australia, as well as on many important poems, novels, literary journals and plays. This new edition has been brought completely up to date with more than 280 new author entries, most of them for living authors. The general reader will find it fascinating to browse and to discover many new writers and works, while students will find it an invaluable resource for daily use. This is a unique work of reference for the twenty-first century that no reader or library should be without.

A Study Guide for Alexander Pope's "Sound and Sense" Gale, Cengage Learning 2016

1996 Massimo Mastrogregori 2014-02-21 Annually published since 1930, the International bibliography of Historical Sciences (IBOHS) is an international bibliography of the most important historical monographs and periodical articles published throughout the world, which deal with history from the earliest to the most recent times. The works are arranged systematically according to period, region or historical discipline, and within this classification alphabetically. The bibliography contains a geographical index and indexes of

persons and authors.
