The CBEST is designed to test basic reading, mathematics, and writing skills found to be important for the job of an educator; the test is not designed to measure the ability to teach those skills. Mar 25, 2020 · CBEST stands for the California Basic Educational Skills Test and must be passed in order to get a teaching credential or to work as a substitute teacher in the state. The CBEST format was implemented by the Oregon Teachers Standards and Practices Commission (TSPC) in July 1984 to assess the basic skills of individuals entering the education field. Attention: CBEST is no longer required for most teaching credentials if you have a bachelor's degree. Learn more about the basic skills requirement . The California Basic Educational Skills Test (CBEST) is administered to individuals who want to gain the credentials and teach at public schools in California and Oregon. Apr 27, 2026 · The California Basic Educational Skills Test (CBEST) is designed to assess basic mathematics, reading and writing skills for candidates planning a career in teaching. Individuals only need to pass The California Basic Educational Skills Test (CBEST) once; CBEST passing scores remain valid indefinitely for all credential and employment purposes.
