Motives for Writing Robert Keith Miller 1999

Content Area Literacy Anthony V. Manzo 2001 The Third Edition of this well respected text introduces readers to the why and how of promoting basic and higher-order literacy. It does so in the context of the importance of reading and thinking as a collateral part of specific subject instruction in an increasingly interconnected local and global environment. Conveyed in a clear and comprehensive manner, the ideas and methods presented reflect nearly a century of progress and the continuing evolution into this age of local and worldwide telecomputing

Bookwise Sharon Parsons 2002 Bookwise is a carefully graded reading scheme organized into five cross-curricular strands, encouraging links to other subjects. Comprising 16 fiction and ten non-fiction titles, the 25 books at each level span a two-year reading age and the three-tier levelling system within each level facilitates an accurate match of reading ability and text. The full-colour readers are accompanied by teacher's guides and resource sheets to help teachers get the most out of their guided reading and writing sessions.
