

Chapter 1 Medicare Workbook Answers

Health Insurance Answer Book John C. Garner 1997-09 This easy-to-use guide will help you manage a cost-effective health insurance plan and ensure that your decisions are in compliance with constantly changing health care legislation. The Health Insurance Answer Book offers instant access to information on everything from HMOs, PPOs, COBRA, OBRA, and flexible benefits to plan rating, funding, cost containment, and administration. Its question-and-answer format speeds you to realistic strategies and solutions in seconds. Because the book is updated annually, you'll be sure to stay informed on newly enacted and pending legislation. For example, you'll get concise, jargon-free coverage of the Health Insurance Portability and Accountability Act of 1996 (HIPAA), changes in the Medicare payroll tax, pharmacy benefit management, reduced reimbursements for physicians and hospitals, workers' compensation, Medigap policies, self-insurance, and third-party administration.

Understanding Health Insurance Michelle a Green 2003-07 *Understanding Health Insurance: A Guide to Professional Billing, 7th edition*, utilizes a step-by-step approach to provide instruction about the completion of health insurance claims. The objectives of this edition are to 1) introduce information about major third party payers, 2) provide up-to-date information about federal health care regulations, 3) clarify coding guidelines and provide application exercises for each coding system, 4) introduce reimbursement issues, 5) emphasize the importance of coding for medical necessity, and 6) help users develop the skill to complete claims accurately.. Case studies and review exercises provide users with numerous opportunities to apply knowledge and develop skills in completing CMS-1500 claims accurately. The textbook CD-ROM and accompanying workbook provide additional exercises and practice in completing CMS-1500 claims electronically. Current information is provided on CPT-5 and ICD-10-CM coding systems. The appendices include information about processing

the UB-92 (CMS-1450) and dental claims.
