College Accounting Student Edition Chapters 1-13 John Ellis Price 2001-09-19 College Accounting continues to offer its trademark short learning segments followed by self-review questions and answers. This book has been thoroughly revised and given a new visual design. The book also includes more real-world examples than ever, high-interest problems and activities, in-text help, classroom-tested features, and support for a variety of software packages. The new edition continues to be the most current and thorough text available, and provides solid coverage of accounting concepts and principles.

Accounting Principles, Peachtree Complete Accounting Workbook Jerry J. Weygandt 2010-05-04 Weygandt Accounting Principles starts with what students know. In the new Ninth Edition, students clearly see the relevance of accounting in their everyday lives and are therefore motivated to do the work assigned. Weygandt Accounting Principles introduces

challenging accounting concepts with examples that are familiar to the student. This connection to their everyday lives helps build student motivation, a key driver of student time spent on assignments and ultimately their mastery of the concept.
