Exposing the Devil's

Playbook John Ramirez

2024-10-01 Just because you feel like you're in bondage, it doesn't mean you have to stay there. After reading this book, I will have the insight needed to rupture the enemy's grip on my life. I will gain the invaluable tools needed to fight in the spirit and take up my God-given authority as more than a conqueror in Christ Jesus. Many believers are not victorious and not living lives of purpose and destiny because they don't understand the schemes and wiles of the devil. Using powerful teachings, this book will unveil and expose the devil and his kingdom to the very core of his ministry, strategies, and weapons he uses against the church today. The church has fallen asleep. We do not understand the

things of the Spirit. We don't understand the enemy of our souls. He comes to kill, steal, and destroy using satanic strategies, game plans, and arsenals of weapons that he wants us to believe are nonchalant, easygoing, harmless, and unpredictable. The church is not teaching and equipping believers to teach our hands to war in the spirit. In Psalm 144:1, David asked God, "Lord, teach my hands to war." Now, instead of our hands being taught to fight the good fight, we find ourselves in handcuffs—limited, depleted, and spiritually anemic. This book will help you unlock your spiritual handcuffs so you can understand the works of the devil and expose him before he sets foot on the battlefield of your life. You will learn how to crush the head of the serpent in any season of your life, and how you can see him coming in the blind spots of your walk with the Lord. It's time for believers to be trained, equipped, and become a spiritual army. It's time to fight and expose the so-called devil

and his entrapments. We will rise up and take back what he has stolen from us once and for all in the unmatched name of Jesus Christ, our Lord and our Savior. Jesus will be proud that He picked us for the ultimate battle.

me from claiming her. And once I had her in my arms, I'm never letting her go. I was busy running a war for my club, the Apaches MC. She thought we left her friend bloodied and bruised. I'd never thought I'd ever be challenged by someone like her. So innocent. So pure. So unaware of the danger she's in when she stepped into my world. She doesn't know it yet. But I'm everything she didn't know she wanted. Everything she never realized she craves . She chose to put herself in the devil's cage. And now the devil is laying his claim. I'm going to break her walls. I'm going to take what I want. And I won't stop until she's mine.
