2016-11-15 You have answered the call to serve as a minister to children. Calls come in a variety of ways, yet here you are. Whether your ministry touches three children in a small congregation, three hundred children in a large congregation, or the children who live in the community where you serve, you have been invited to gather dedicated adults and scripturally sound resources to make disciples of Jesus Christ for the transformation of the world. This booklet concentrates of the basics of ministry that help children grow in faith. It is the beginning point for organizing for ministry and is designed to help congregations use their own gifts to respond to God's call to care for the children, on Sunday morning, through the week, and for special events. This is one of the twenty-six Guidelines for Leading Your Congregation

2017-2020 that cover church leadership areas including Church Council and Small Membership Church; the administrative areas of Finance and Trustees; and ministry areas focused on nurture, outreach, and witness including Worship, Evangelism, Stewardship, Christian Education, age-level ministries, Communications, and more. [Growing Everyday Disciples](#) Melanie C. Gordon 2016-11-15 [Growing Everyday Disciples: Covenant Discipleship With Children](#) is a formational resource by Melanie C. Gordon, Susan Groseclose, and Gayle Quay that equips adults who serve in ministry with children ages 8-11 to guide children towards a mature faith through everyday acts of compassion, justice, worship, and devotion under the guidance of the Holy Spirit. Covenant Discipleship helps connect children with Jesus Christ and one another through ongoing mutual accountability and support for living in the world as Christ followers. The resource offers leaders in ministry with children suggestions for forming covenants,

exploring accountability, evaluations, and a choice of plans to organize, maintain, and evaluate Covenant Discipleship groups with children. This resource also provides a brief background on discipleship, covenants, and society meetings of the Methodist Movement, and can be used as preparation for confirmation. [Raising Disciples](#) Teresa Roberts 2024-10-08 Every child--from infancy to adolescence--is being disciplined by someone or something. The question is: Are you willing to disciple them for Jesus' sake? Accessible and actionable for parents of children birth to 13 years old, [Raising Disciples](#) offers a detailed discipleship map and directional markers to nurture your child's spiritual growth with Christ. During her more than 25 years in children's ministry alongside her academic work training up children's ministry leaders, Dr. Teresa Roberts noticed that parents and even children's ministry leaders seemed to struggle with knowing how to disciple children past the more-intuitive preschool ages.
