Assessment Powered Teaching Nancy W. Sindelar 2015-09-01 Knowledge is power, and this book puts assessment data and instruction together in a step-by-step format. Instead of dreading the time testing takes from teaching, you can harness its power to define learning targets, build standards-based assessments; gather and use test data in

the classroom, and develop data-driven teaching strategies. Assessment expert Nancy W. Sindelar provides practical tools that help teachers:

- Use formative and summative assessment results to enhance instruction
- Motivate students by providing clear learning targets
- Utilize technology to analyze students' progress
- Raise test scores

Included are testimonials from teachers, numerous data analysis examples, rubrics, and a chapter on culturally diverse schools. Designed to be adaptable, this book is a powerful resource for teachers, teacher teams, and all educators dedicated to enhancing student learning.
