**A Resource Guide for Teaching** Richard Dean Kellough 1997 Practical and thorough, this engaging resource guide truly practices what it preaches: hands-on, activities-rich, research-based, performance-driven teaching. Coverage integrates the best ideas from a broad spectrum of instructional approaches into an eclectic teaching model that the author characterizes as multilevel instruction. This is truly one of the most comprehensive books on the market today, made even better in this latest edition. Coverage includes the relationship among curriculum standards, assessment, and high-stakes testing, what's need to establish and maintain a supportive learning environment, and updated information on outstanding school programs. For professionals in the field of teaching.
