*Understanding the Behavioral Healthcare Crisis* Nicholas A. Cummings 2012-03-29 Understanding the Behavioral Healthcare Crisis is a necessary book, edited and contributed to by a great variety of authors from academia, government, and industry. The book takes a bold look at what reforms are needed in healthcare and provides specific recommendations. Some of the serious concerns about the healthcare system that Cummings, O'Donohue, and their contributors address include access problems, safety problems, costs problems, the uninsured, and problems with efficacy.
