Adventure Guide to the Canadian Rockies Brenda Koller 2011-12-01 We travel to grow our Adventure Guides show you how. Experience the places you visit more directly, freshly, intensely than you would otherwise sometimes best done on foot, in a canoe, or through cultural adventures like art courses, cooking classes, learning the language, meeting the people, joining in the festivals and celebrations. This can make your trip life-changing, unforgettable. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Travel Adventure Guides unique. The author is fascinated with these islands and her passion comes across in the text, which is lively, revealing and a pleasure to read. Detailed town and regional maps make planning day-trips or city tours easy. Adventures covered range from town sightseeing tours and nature watching to sea kayaking and mountain climbing excursions. Travelers looking for a more relaxed vacation may want to sign up for dance lessons and take part in the local Carnaval or join a local cycling club and tackle some of the most scenic areas - these cultural adventures will introduce you to the people and afford you a truly unique travel experience. This guide focuses on Curaçao primarily and is based on material found in our larger book, Aruba, Bonaire & Curacao Pocket Adventures.

Canadian Winter Driver's Handbook Edition 2 Ron and Eric Battiston 2011-01-10 The Bible for winter driving based on millions of miles of driving on snow and ice. This handbook will greatly improve your winter driving skills and reduce your chances of death or injury. The information is clear and concise and unvarnished. The Authors are from Northern Ontario where winter driving is a requirement for survival. The first edition was published in 2009 and this is the second edition published in January 2011. It contains even more winter driving secrets and techniques. The objective of the handbook is to greatly reduce the carnage on our highways. Every day 8 Canadians are killed and 560 injured on our roads. In the USA over 40,000 are killed annually. This is the best investment any driver can make if they drive in winter conditions!
