Teams Ronald Recardo
2009-11-03 Is team-based management best for your business? Will it help your organization meet the challenges of the twenty-first century to cut production costs, increase quality and service, and compete in the global economy? his practical, immensely informative book will help you make that decision. Teams tells you: When to use teams and when not to use them. What conditions must exist for teams to be successful. Which teams are appropriate for a particular situation. How to develop teams to meet the specific needs of your organization.
