How to Market Books Alison Baverstock 2015-02-11 'Baverstock is to book marketing what Gray is to anatomy; the undisputed champion.' Richard Charkin, Executive Director of Bloomsbury Publishing and President Elect of the International Publishers Association Over four editions, Alison Baverstock's How to Market Books has established itself as the industry standard text on marketing for the publishing industry, and the go-to reference guide for professionals and students alike. With the publishing world changing like never before, and the marketing and selling of content venturing into uncharted technological territory, this much needed new edition seeks to highlight the role of the marketer in this rapidly changing landscape. The new edition is thoroughly updated and offers a radical reworking and reorganisation of the previous edition, suffusing the book with references to online/digital marketing. The book maintains the accessible and supportive style of previous editions but also now offers: a number of new case studies detailed coverage of individual market segments checklists and summaries of key points several new chapters a foreword by Michael J Baker, Professor Emeritus of Marketing, Strathclyde University.

TechTV's Starting an Online Business Frank Fiore 2001 Author Frank Fiore gives the reader a foundation for starting an online business. The book is divided into 5 parts. It starts with an explanation of e-commerce, what to sell, how to sell it, how to plan it and where to find the money to fund it. Then it gives the reader the basics of setting up shop on the Web, where to host it, some e-commerce Dos and Don'ts, and how to take orders and ship them. Finally, it will cover the essentials of marketing and promoting their new business. The book is organized in such a way that the reader can quickly find a topic and get the information they need to set up their own online business.

The Complete Idiot's Guide to Starting an Online Business Frank Fiore 2000 The Complete Idiot's Guide to Starting an Online Business shows why and how to establish company Web sites and Intranets.
