**Mosby's Massage Therapy Review - E-Book**

Sandy Fritz 2009-06-16 No other massage review book offers such complete exam preparation! Written by massage therapy expert Sandy Fritz, this preparation tool offers more review content and questions than any other massage certification review. It gives you the practice and study tools you need for the NCE and MPLEx certification exams, state exams, and even mid-term or final exams. With complete coverage of the information you need to know to study more effectively and take tests more successfully, it helps you memorize terms,

definitions, and key facts, all with an emphasis on critical thinking skills — a key part of any licensure or certification exam. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. More than 1,300 review questions include the two types of questions on the NCE — factual recall and comprehension. Content review includes a detailed review of body systems and their applications to massage. A new five-step review process lets you identify areas that need more attention as you study and prepare. Tips for studying and test taking; what to memorize; how to apply concepts and think critically help you hone test-taking skills better than ever before. A full-color design features 100 new illustrations showing massage techniques and Anatomy & Physiology.

Handbook strives to enhance knowledge and application within sustainability in management education (SiME) across different academic programs, geographic regions and personal/professional contexts. Cross-disciplinary and boundary-spanning, this book focuses on specific themes and is therefore split into four distinct sections: one on theory and practice, one on transformational interventions in business programs, one on the role of external agents and the last on innovative approaches in SiME.

**International Financial Management** Jeff Madura 2018-01-01 Equip your students for success in international finance with the unrivalled depth of theory and practical applications presented in Madura, Hoque and Krishnamurti's INTERNATIONAL FINANCIAL MANAGEMENT, Asia-Pacific 1st edition. This APAC edition builds on the fundamental principles of corporate finance to provide the timely information and contemporary insights

your students need to prosper in today's global business environment. With the original US edition being well known for its inviting reader-friendly style and clear explanations, this APAC 1st edition introduces international finance with a focus on the important role of modern multinational corporations in global commerce within a strong APAC context. Using a strong corporate perspective, it discusses a wide range of managerial topics and emphasises the most recent changes in the international environment. Relevant examples, instructive diagrams, self-tests, and other learning features provide hands-on experience to help your students develop the skills they need to effectively manage in contemporary practice.
