Learn to Live 5: God's Amazing Problem Solver

William D. Reid 2021-08-13 The Bible is the greatest problem-solving book ever written. It explains what's wrong with the world and how to fix it. It clarifies what is wrong with humanity and how to fix it. The Bible demonstrates clearly what works and what doesn't work when we are trying to fix our messed up lives. When God spelled out the "dos and don'ts" for successful living, he said, "Trust me on this." When Jesus explained the plan of salvation through his death and resurrection, he said, "Trust me on this." When Paul wrote to his churches, he was always careful to explain that righteousness and salvation are through Jesus Christ alone. He clearly proclaimed, "Trust Jesus Christ on this." Problem-solving is really fairly simple. We must

learn to trust God, trust Jesus Christ, and trust the Word of God. The Bible is very good at identifying the problem and then listing the solutions to the problem. Understanding is the easy part. Application is the hard part. Every successful person understands the words read, study, learn, practice, and work hard. They are excellent words for every Christian who wants to succeed and win.

Writing and Designing Manuals and Warnings 4e Patricia A. Robinson 2009-06-15 Twenty-five years ago, how many people were thinking about the internet on a daily basis? Now you can find everything, including technical and instruction manuals, online. But some things never change. Users still need instructions and warnings to guide them in the safe and proper use of products. Good design, clear instructions and warnings, place
