Nutrition Education Programs for the Classroom (pre-K - 12) Lillian White-Stevens 1981 Abstract: A catalogue describes 232 Nutrition Education and Training Program projects implemented by public and private schools and agencies in New Jersey from grants not exceeding \$5,000. Program descriptions are divided into 4 sections: preschool, elementary grades (K-6), secondary grades (7-12), and special education (gifted and talented, handicapped). A uniform descriptive format includes for each program the school district and county appropriate grade level, a brief summary descriptor, narrative overview outlining the program and materials developed, funding allocated and a local contact person. Jo Coull, Food Detective H.J. Van Meter 2024-12-05 Middle school is challenging by itself. Add in social awkwardness and lunchtime drama, and the smart and sporty seventh-grade girls at Westridge Middle School have their hands full. Even minor tasks like keeping track of retainer cases become a challenge. But what if a mushroom is the culprit? Only Jo Coull, a food detective, can unravel this mycological mystery and save the day for her friends.

The Consumer Health Information Source Book Alan M. Rees 1984 How can an award-winning source book that helps consumers find health information be improved? Health expert Alan Rees has done just that in his sixth edition by providing practical advice on using the Internet, tips on where to find Spanish-language health pamphlets, and recommendations on what's most important in the world of alternative medicine. The sixth edition provides users with an annotated guide to health-related resources--hotlines, newsletters, pamphlets, Web sites, CD-ROMS, magazines, books, and more! Readers are given a description on each resource and how to best use it.
