Collaborate, Communicate, and Differentiate!
Wendy W. Murawski 2011-02-24 Collaboration
101 for teachers, parents, and school
communities Teachers in both general and
special education classrooms are being asked to
collaborate to give all students access to the
general education curriculum. The challenge is
that teachers receive very little training in how
to collaborate successfully. Collaborate,
Communicate, and Differentiate! takes
collaboration out of the abstract and applies it to
daily tasks such as: Planning and differentiating
instruction Communicating with families
Assessing students with diverse backgrounds
and abilities Co-teaching Coordinating with all
staff members
