If God Is Good Study Guide Randy Alcorn 2010-08-10 Dive Into a Thorough Exploration of Today's Most Troubling Issue The reality of evil and suffering

is not only our culture's biggest objection to faith in God, but also a piercing thrust into the soul of every believer at some point in their lives. Those facts compel us to prepare in order to handle the doubts and questions that roll over us like a storm tide whenever we confront the worst of pain, malice, and injustice. This study guide to Randy Alcorn's *If God Is Good: Faith in the Midst of Suffering and Evil* helps you gain perspective on suffering and God's unfailing goodness. Designed for both individual and group use, this guide is adaptable to whatever schedule and approach is most convenient for you—from a four-week overview, to an exploratory eight-week journey, to an intensive thirteen-week course. Included throughout are a variety of questions for reflection and discussion, plus book excerpts that capture the highlights and best insights from *If God Is*

Good. In addition, a group leader's guide offers guidance for steering a group through any of the three approaches. Let this book be your guide as you face up to a seriously perplexing issue and the countless questions it keeps generating.

Teacher's Guide for And How Shall You Know All Parables

John Wedlock 2020-05-20 This booklet provides a teacher's guide for study of the book And How Shall You Know All Parables. This book provides for an understanding of the Parable of the Sower and also, a means for understanding the gospels/Acts based on the thematic context of that parable. This leads to a deeper understanding of the gospels/Acts and for a clearer insight into how these scriptures apply to everyday life. The teacher's guide provides a twenty-session study of the book for use by small groups. Each session outline includes a Bible reading, discussion topics for the session, reference to Bible-study guides for more in-depth

study of the topic, and challenging application questions for reflection and discussion.
