Audit Guide AICPA 2016-11-30 AICPA Audit Guides are developed and updated to provide guidance and tools for practitioners as they perform audit engagements. The AICPA Audit Guide Analytical Procedures, updated as of March 1, 2012, includes relevant guidance contained in applicable standards and other technical sources. The guide summarizes applicable requirements and practices, and delivers "how-to" advice for handling analytical procedures used in audits. The included case study illustrates the use of analytical procedures in planning and substantive testing, utilizing trend analysis, ratio analysis, reasonableness testing, and regression analysis. The appendices include a variety of examples of financial ratios and a comparison of the key provisions of the Risk Assessment Standards. This AICPA Audit Guide has been fully conformed to reflect the new standards resulting from the Clarity Project. Fully incorporating the clarified auditing standards into this year's edition of the guide enables auditors to further their understanding of these recently issued auditing standards, as well as begin updating their audit methodologies, resources, and tools prior to the clarified auditing standards' effective date. Additionally, this approach gives auditors the opportunity to review and understand the changes made by their third-party audit methodology and resource providers, if applicable. The clarified auditing standards are effective for audits of financial statements for periods ending on or after December 15, 2012 (calendar year 2012 audits). Auditors should continue to use the previous edition of this guide (2008 edition) until the clarified auditing standards become effective for the auditors' engagements.

AICPA Professional Standards, 2018 AICPA 2018-09-05 Updated as of June 1, 2018, Professional Standards (two-volume set) is a comprehensive source of professional standards and interpretations issued by the AICPA, such as auditing and attestation, accounting and review services pronouncements, along with the AICPA Code of Professional Conduct and Bylaws. Standards and related interpretations, to help you apply the standards in specific circumstances, are arranged by subject with amendments noted, superseded portions deleted, and conforming changes reflected. This year's edition includes the following new standards: Statement on Auditing Standards (SAS) No. 133, Auditor Involvement With Exempt Offering Documents Statement on Standards for Accounting and Review Services (SSARS) No. 24, Omnibus Statement on Standards for Accounting and Review Services—2018 Statement of Position (SOP) 17-1, Performing Agreed-Upon Procedures Related to Rated Exchange Act Asset-Backed Securities Third-Party Due Diligence Services as Defined by SEC Release No. 34-72936 SAS No. 133 addresses the auditor's responsibilities with respect to all exempt offerings of securities undertaken pursuant to federal and state securities laws and similar laws governing franchise offerings. AU-C section 925, Filings with the U.S. Securities and Exchange Commission Under the Securities Act of 1933, addresses other offerings. Prior to the issuance of SAS No. 133, the AICPA provided best practices specific to issuances of municipal securities in industry-specific auditing guidance appearing in AICPA Audit and Accounting Guides State and Local Governments and Health Care Entities. Of most significance in SSARS No. 24 is the creation of a new section, AR-C section 100, Special Considerations—International Reporting Issues. This section provides requirements and guidance for an accountant who is engaged to perform a compilation or review when (a) the financial statements have been prepared in accordance with a financial reporting framework generally accepted in another country or (b) the compilation or review is to be performed in accordance with both SSARSs and another set of compilation or review standards.
