The Aptitude Test Workbook

Jim Barrett 2011-01-03 Many organizations and educational institutions use psychometric testing to uncover candidates' abilities and assess their potential. The Aptitude Test Workbook will help candidates prepare for these tests and give them an awareness of their strengths and where they could take you. A companion to Test Your Own Aptitude, it contains 16 tests with over 400 questions - verbal, numerical, perceptual, spatial and practical. With new detailed explanations to aid your

learning as well as real life assessments, this new edition is a vital read. Packed with practical advice, help sections and expert tips, it will help the reader improve their key skills and find their ultimate career direction.

Over 300 test questions, with detailed explanations, exam tips and multiple choice strategies. Practice tests are a critical self-assessment tool

that will · reveal your strengths and weaknesses · familiarize you with the exam format and types of questions · build your self confidence · practice your exam time management All of these can make a huge difference in your score!

Practice Tests reduce Test Anxiety, one of the main reasons for low marks on an exam. Maybe you have read this kind of thing before, and maybe feel you don't need it, and you are not sure if you are going to buy this eBook. Remember though, it only a few percentage points divide the PASS from the FAIL students. Even if our test tips increase your score by a few percentage points, isn't that worth it? Why not do everything you can to get the best score on the EIAT?
