Keeping this in mind, the book has been planned with utmost care in the exposition of concepts, choice of illustrative examples, and also in sequencing of topics. The language is simple yet precise. The topics are interdependent and must be studied in the same order as given in the book.

Student's Essential Formula

Book John C. Sparks 2004-07
Dan Green's life had changed for the worse when he was coerced to sell out his soul to the Devil. After spending several years of his life in college following in his father's footsteps, a world renowned theologian, the course of his life had unexpectedly altered beyond reproach when his father was murdered. The killer professed to be possessed by the Devil. In despair, Dan dropped out of

school and began to lead a life of drug dealing and alcohol abuse. He had driven himself to the degree where his life had been put into a compromising position. Having a fiendish interest in his soul, the Dark Lord bargained with Dan to save his life, in exchange for his eternal service to darkness. Dan, seeing no other recourse, offered himself as the Devil's porthole to reign over the realm of earth. Setting out tasks for Dan that would change past, present, and future events on earth, The Devil had planned to finally interrupt the balance between the forces of good & evil forever. This book will keep you wondering if the age old "good over evil" will prevail, in its design to relate to the human condition of decision-making and temptation in our lives.
