100 Recipes America's Test Kitchen 2015-10-13 A provocative, handpicked collection of relevant (and surprising) essential recipes for today's cook. We have countless recipes at our disposal today but what are the real keepers, the ones that don't just feed us when we're hungry or impress our friends on Saturday night, but inspire us to get into the kitchen? At the forefront of American cooking for more than 20 years, the editors at America's Test Kitchen have answered this question in an essential collection of recipes that you won't find anywhere else: 100 Recipes Everyone Should Know How to Make. Organized into three recipe sections—Absolute Essentials, Surprising Essentials, and Global Essentials—each recipe is preceded by a thought-provoking essay that positions the dish. For example, Treating Pasta Like Rice Simplifies Everything; A Covered Pot Is a Surprisingly Good Place to Roast a Chicken; and Re-imagine Pie in a Skillet to Simplify the Process. You'll

find useful workday recipes like a killer tomato sauce that's almost as easy as opening a jar of the store-bought stuff; genius techniques for producing amazing flavor—try poaching chicken breasts over a garlic-and-soy- spiked brine (trust us, it's that good); and familiar favorites reinvigorated—the best beef stew comes from Spain (and it's even easier to make than the stateside stew you've been eating for years). Gorgeous photography (shot right in the test kitchen) accompanies every recipe, revealing the finished dish as well as highlights of its preparation. Likely to stir debate among anyone interested in food and cooking, 100 Recipes Everyone Should Know How to Make provides a snapshot of how we cook today and will galvanize even the most jaded cook to get into the kitchen.

[The Book of Apples](#) Joan Morgan 1993 This book contains a complete history of apples and a detailed survey of over 2000 of the world's apple varieties. Moving between continents and cultures, the authors look at the apple's role as a dessert fruit and in cookery; in cider making and the ornamental garden; in myth, medicine and religion. They revisit the apple's Victorian heyday when fine varieties were considered seriously as

wines, and bring the story up to date with the apple's transformation into an international commodity.

As American As Apple Pie Elaine Corn 2002 Delicious All-American Recipes What's your favorite all-American comfort food? Thanksgiving turkey and pumpkin pie? Barbecued ribs and potato salad? Chili and cornbread? Whatever your preference, you'll find it inside these pages. Award-winning cookbook author Elaine Corn has gathered 50 of America's most popular recipes and presented each of them with easy-to-follow directions and the stories behind these nostalgic foods. For instance, legend has it that the American hamburger had its humble beginning from Jewish immigrants who sailed the Hamburg line in the 1850s and combined their preserved, smoked meat with soaked breadcrumbs and onion. Over time, we adapted this into a broiled patty on a sliced bun. And is it possible that strawberry shortcake may be the delicious result of Native Americans showing colonists how to bake indigenous strawberries into cornbread? Although we may never know who first stirred onion soup mix into sour cream, we do know that another one of America's favorite snacks is really named after a man called "Nacho." Each of America's favorite recipes has a great story behind it, and many have been all-around enjoyable for hundreds of years. Keeping them alive are Americans like us, folks who are always happy to savor a meal containing some of our nation's soul. What do mashed potatoes, macaroni and cheese, meatloaf (Mom's, of course), and pecan pie have in common? They're American to the core. But America's favorite recipes are more than just famous and delicious comfort foods. They're packed with history, legend, and lore; conjecture and anecdote; and outright gossip. Inside, you'll discover 50 foolproof recipes selected for their overwhelming familiarity in American homes and restaurants, including: -New England Clam Chowder -Caesar Salad -San Francisco Sourdough Bread -Fried Chicken and Cream Gravy -New York Cheesecake -Chocolate Chip Cookies -And many, many more! These pages reveal how famous restaurants created signature dishes that are now beloved favorites. This is where you get the lowdown on how Eggs Benedict became associated with Delmonico's in New York, who made

the first Cobb Salad at the Brown Derby in Hollywood, and why Oysters Rockefeller saved the day at Antoine's in New Orleans.

Farm Journal and Country Gentleman 1923

Classic Home Desserts Richard Sax 1999-03 A collection of old-fashioned desserts, updated for today's tastes, includes profiles of various chefs, their recollections of favorite desserts, and excerpts from related literature.

The Oxford Companion to American Food and Drink Andrew F. Smith 2007-05 Offering a panoramic view of the history and culture of food and drink in America with fascinating entries on everything from the smell of asparagus to the history of White Castle, and the origin of Bloody Marys to jambalaya, the Oxford Companion to American Food and Drink provides a concise, authoritative, and exuberant look at this modern American obsession. Ideal for the food scholar and food enthusiast alike, it is equally appetizing for anyone fascinated by Americana, capturing our culture and history through what we love most--food! Building on the highly praised and deliciously browseable two-volume compendium the Oxford Encyclopedia of Food and Drink in America, this new work serves up everything you could ever want to know about American consumables and their impact on popular culture and the culinary world. Within its pages for example, we learn that Lifesavers candy owes its success to the canny marketing idea of placing the original flavor, mint, next to cash registers at bars. Patrons who bought them to mask the smell of alcohol on their breath before heading home soon found they were just as tasty sober and the company began producing other flavors. Edited by Andrew Smith, a writer and lecturer on culinary history, the Companion serves up more than just trivia however, including hundreds of entries on fast food, celebrity chefs, fish, sandwiches, regional and ethnic cuisine, food science, and historical food traditions. It also dispels a few commonly held myths. Veganism, isn't simply the practice of a few "hippies," but is in fact wide-spread among elite athletic circles. Many of the top competitors in the Ironman and Ultramarathon events go even further, avoiding all animal products by following a strictly vegan diet. Anyone hungering to know what our

nation has been cooking and eating for the last three centuries should own the Oxford Companion to American Food and Drink. DT Nearly 1,000 articles on American food and drink, from the curious to the commonplace DT Beautifully illustrated with hundreds of historical photographs and color images DT Includes informative lists of food websites, museums, organizations, and festivals

Gloria Pitzer's Cookbook - the Best of the Recipe Detective Gloria Pitzer 2018-01-15 FAMOUS FOODS FROM FAMOUS PLACES have intrigued good cooks for a long time even before fast foods of the 1950's were a curiosity. When cookbooks offer us a sampling of good foods, they

seldom devote themselves to the dishes of famous restaurants. There is speculation among the critics as to the virtues of re-creating, at home, the foods that you can buy eating out, such as the fast food fares of the popular franchise restaurants. To each, his own! Who would want to imitate fast food at home? I found that over a million people who saw me demonstrate replicating some famous fast food products on The Phil Donahue Show (July 7, 1981) DID and their letters poured in at a rate of over 15,000 a day for months on end! And while I have investigated the recipes, dishes, and cooking techniques of fine dining rooms around the world, I received more requests from people who wanted to know how to make things like McDonald's Special Sauce or General Foods Shake-N-Bake coating mix or White Castle's hamburgers than I received for those things like Club 21's Coq Au Vin.
