Questions When Buying a Car Stephen Edwards 2006-09 50 plus one Questions When Buying a Car is the perfect self-help guide for every potential car buyer, whether you are buying new or pre-owned. How do you tell if a used car was in an accident or hurricane? What features on a new car provide good values? Are the miles per gallon as advertised really true? Buying a car is often the second largest purchase you are likely to make. This book could save you hundreds of thousands of dollars over the many cars you will buy in your lifetime. Learn how to compare various makes and models of cars; which cars hold their value the longest?; should you have a used car inspected before buying?; is it better to buy used from an individual or dealer?; are places like www.cars.com better than the local dealer?; should you buy a car after the lease is finished; and more.
