Chatter Beyond the Fringe

Robert Ing 2007 Welcome to the world of forensic intelligence. Based on the case files of Dr. Robert Ing, *Chatter beyond the Fringe* takes you into a world of terrorists, slave traders, spies, gunrunners, drug traffickers, and computer hackers. This is the secret world of technology that is used by contemporary terrorists and spies, and seldom seen on the evening news. In our high-tech world of Internet-savvy criminals, forensic intelligence professionals like Dr. Ing are the first line of defense. As he travels around the globe to

track down offenders and felons, Dr. Ing walks you through each case, explaining highly technical concepts in a way that any layperson can understand. He strips away the bells and whistles and tells it like it is. *Chatter beyond the Fringe* reads like a diary that is filled with dashes of conspiracy theories, technology, forensics, and action.
