

Character Development Chart

character applies to the aggregate of moral qualities by which a person is judged apart from intelligence, competence, or special talents. A character is someone who appears in a story, whether the story is fiction or nonfiction. It can also be used to refer to a role in a play or film that an actor plays, as in Tony's character in the play doesn't ... CHARACTER definition: 1. the particular combination of qualities in someone or something that makes them or it different.... Learn more. If you say that someone has character, you mean that they have the ability to deal effectively with difficult, unpleasant, or dangerous situations.
