Apr 26, 2026 · Adjective effective (comparative more effective, superlative most effective) Having the power to produce a required effect or effects. The adjective effective has many shades of meaning, but you'll usually see it describing something that's able to produce a desired goal. Effective traces back to the Latin word *effectivus*, from *efficere*, ... **EFFECTIVE** definition: 1. successful or achieving the results that you want: 2. (used about a treatment or drug) working.... Learn more. Definition of effective adjective in Oxford Advanced Learner's Dictionary. Meaning, pronunciation, picture, example sentences, grammar, usage notes, synonyms and more. Effective, effectual, efficacious, efficient refer to that which is able to produce a (desired) effect. Effective and efficient are often

confused, but they have slightly different meanings. If you are effective, you do a job properly; if you are efficient, you do it quickly and easily. Effective typically describes things—such as policies, treatments, arguments, and techniques—that do what they are intended to do. People can also be described as effective when they accomplish what ...
