**Activities for Building Character and Social-Emotional Learning Grades 3-5** Katia S.

Petersen 2012-04-25 Build attitudes of respect and caring, reduce problem behaviors, empower students to solve problems, and educate the whole child with this flexible, user-friendly activity guide. The lessons' literature-based connections allow teachers to "build in" rather

than "add on" social-emotional learning (SEL) throughout the day. Field-tested in classrooms across the United States, these activities when fully implemented have resulted in improved school climate, greater parent engagement, increased academic achievement, and reduction in discipline referrals. Features of the book include: 100+ easy-to-implement year-round activities that integrate into the daily curriculum in all subject areas Monthly themes focused on empathy, bullying prevention, teamwork, decision-making, and more Concise lesson formats (Read, Discuss, Do, Relate) Discussion and writing prompts Built-in assessments Digital content includes all of the book's reproducible forms.

*Japanese Moral Education Past and Present*

Yoshimitsu Khan 1997 This book investigates the history and development of Japanese moral education, and analyzes and compares current moral education with the concepts of the Imperial Rescript on Education (1890) and the shushin moral education of prewar Japan. The Rescript contains Confucian and Shinto precepts and was to become the codification of the moral standards of the Japanese way of life in pre-surrender Japan. Despite the attempts of the Japanese education system to embrace democratic principles, postwar dotoku moral education has been essentially the same as that of the prewar system. The author concludes that Confucian ethics is still the engine of Japanese social cohesion and dynamics, and predicts that it will continue to be so for generations to come. Japan needs to find a way to converge the long-

held Confucian ideology with more democratic ideals and fairness to all people through moral education.

*DBT Skills in Elementary Schools* James J. Mazza 2026-03-12 Packed with practical tools, this manual presents DBT STEPS-E, a comprehensive social-emotional learning (SEL) program grounded in the proven skills of dialectical behavior therapy (DBT). Two complete curricula are designed to integrate seamlessly into multi-tiered systems of support in grades K-2 and 3-5 classrooms. With a focus on prevention, DBT STEPS-E offers a nonclinical application for building emotion regulation, coping, interpersonal, and decision-making skills aligned with core SEL competencies. Detailed lesson plans are accompanied by teaching scripts, examples, and "From the Field" vignettes. In a convenient large-size format, the volume includes a reproducible daily diary card to track

*Third Grade Lesson Plans* Daniel Price 2012-04  
*The Functional Approach to Character Education (FACE) Anti-bullying Curriculum* is a K through 5th grade interactive model for alleviating the conditions that often cause students to intimidate other students, including lack of respect for another's feelings, lack of appreciation for physical/behavioral differences, and poor self-esteem. Used by over 10,000

students dating back to 2001, this curriculum is now available via e-Book, both by individual grade or as a K through 5th grade package. Each of the 38 lessons includes a theme, classroom activity, discussion ideas, and takeaway points. Initially authored by Dr. Daniel Price, a licensed clinical psychologist, the curriculum has undergone revisions by grade level teachers since 2001, and modified to include activities that are fun and educational at the same time. Topics covered include: Responsibility, Respect, Caring, Fairness, Trustworthiness, and Citizenship.
