Ripples In The Lake Of Eternity Colin Drake 2015-11-21 The aim of this book is to act as a stand-alone guide to, and practices for, realizing and loving the Source (Pure Consciousness) and is composed of new articles and replies to questions since the publication of 'The Simplicity of Awakening'. The thrust of the book is that the initial awakening which reveals that, in essence, we are Pure Awareness is very simple to obtain. This needs to be established by repeated awakenings due to the natural tendency to nod off and re-identify oneself as a separate object in a universe of separate objects. When one is awake then anxiety and unnecessary mental suffering disappear, for these are caused by misidentification which causes us to see the world through a murky filter of self-interest, -concern, -promotion, -aggrandizement, -loathing, the list is almost endless. It is this that causes the anxiety and mental suffering based on concern for the future and feeling we are bound by the past. The book also contains practices for developing and feeling love for the Absol

Integrated Marketing Communication Jerome M. Juska 2021-11-29 Now in its second edition, this textbook explores the continuing transformation of advertising, sales promotion, and public relations functions within the marketing discipline. The content focuses on emerging new technologies, as well as established digital and legacy media, as the reader is guided through the process of developing and implementing a comprehensive Integrated Marketing Communication

plan for companies, organizations, and brands. Clear, concise, and practical, the book takes the reader through consumer, market, and competitive research; creative conceptualization; market segmentation, identification of a target audience, and brand positioning; as well as strategic decisions involving the timing, placement, and intensity of advertising, sales promotion, public relations, and brand visibility. The new edition emphasizes the importance of social media, website development, search engine optimization, mobile marketing, brand promotion events, and retail store connectivity. Updated to include more digital content with detailed international examples, this new edition adds four new chapters including Integrated Marketing Communication objectives, budgets, and metrics, legacy media planning, business-to-business marketing strategies, and innovative technologies with topics such as artificial intelligence, predictive analytics, synthetic media, virtual reality, and voice marketing. Upper-level undergraduate and postgraduate students will appreciate this lucid, up-to-date text, as will business professionals in executive education and certificate programs. Experiential learning is provided with chapter assignments and a continuity case study woven into the textbook. The second edition is also accompanied by robust online resources, including PowerPoint slides, chapter videos, lecture notes, classroom exercises, digital flash cards, test banks, an instructor resource book, and interactive templates for preparing an Integrated Marketing Communication Plan.
