Sacramento (California) - Wink Travel Guide Wink Travel Wink Travel Guide 2019-10-20 Sacramento is the oldest incorporated city in California, settled between the confluences of the Sacramento and American rivers. The pace of life is somewhat slower than in other large Californian cities, and the people are generally warm and friendly. According to Time magazine, Sacramento is the most diverse city in the USA. Sacramento is known among locals as the "City of Trees", and it has a higher density of shade trees than any other major city of the US, so that walking the city streets sometimes feels like walking through a park.
