**Kids' Stuff** Henry Sutton 2003 Mark's a practical man, who expresses his feelings in actions rather than words. When his wife Nicole tells him that his ex, Kim, has called, he's speechless. He hasn't seen Kim or his daughter Lily for over ten years. When Mark meets Lily, it is not the joyful reunion he had been hoping for. She has grown into an angry and wayward teenager, much like her mother, and when Lily comes to stay with Mark and Nicole for Christmas, her disturbing presence threatens to destroy the new life he has built for himself.

**Kid's Stuff** is a painfully insightful novel about the modern man and the terrible damage that family members can do to each other.

2020-12-29 Custom Knits Accessories is the

third book in the Custom Knits series by acclaimed designer Wendy Bernard. While the first two books focused on techniques for customizing top-down sweaters, this one showcases the ever-popular quick-knits: hats, scarves, gloves, mitts, socks, and more. Each of Bernard's 25 sassy-chic patterns offers specific ideas for customization—from switching out yarns to personalizing fit and style details—and fun, glamorous photographs show off the finished pieces. Also included are formulas for knitting all types of accessories without a pattern, using a single body measurement as a starting point. In true Custom Knits style, Bernard encourages knitters to unleash their inner designer every step of the way.
