Mac OS X Snow Leopard: The Missing

Manual David Pogue 2009-10-08 For a company that promised to "put a pause on new features," Apple sure has been busy-there's barely a

feature left untouched in Mac OS X 10.6 "Snow Leopard." There's more speed, more polish, more refinement-but still no manual.

Fortunately, David Pogue is back, with the humor and expertise that have made this the #1 bestselling Mac book for eight years straight. You get all the answers with jargon-free introductions to: Big-ticket changes. A 64-bit overhaul. Faster everything. A rewritten Finder. Microsoft Exchange compatibility. All-new QuickTime Player. If Apple wrote it, this book covers it. Snow Leopard Spots. This book demystifies the hundreds of smaller enhancements, too, in all 50 programs that come with the Mac: Safari, Mail, iChat, Preview, Time Machine. Shortcuts. This must be the tippiest, trickiest Mac book ever written. Undocumented surprises await on every page. Power usage. Security, networking, build-your-own Services, file sharing with Windows, even Mac OS X's Unix chassis-this one witty, expert guide makes it all crystal clear.

Yuvi Makarand Waingankar 2012-11-09 No Indian player has captured the imagination of cricket-lovers in the way that Yuvraj Singh has over the past decade. Fiery batsman, deceptive bowler, brilliant fielder, Yuvraj has been in the news for his remarkable skills with bat and ball, his glamorous lifestyle off the field and, more recently, for his courageous battle against a life-threatening illness. In this first ever account of its kind, veteran journalist and cricket administrator Makarand Wagainkar, who has known Yuvraj practically since the day he was born, recalls the rise of the young cricketer, his early years, the tremendous highs and depressing lows in his tumultuous career. With inputs from Yuvraj's parents, his friends, peers and senior players, and written with a rare insight and affection for his subject, this is an eminently readable account of a young cricketer's life, from the earliest days to his triumphant crowning as the World Cup champion in 2011.
