Destiny Off Track Pijush Gupta 1900 How does it feel to be abused during childhood? How does it

feel to grow up becoming angry at the world? How does it feel to come across someone who is in even greater pain? How does it feel to get healed in the process of healing someone else? For some, the past is full of fond memories, and it is a disease for the not-so fortunate ones.

Abhay Dastidar's journey through 3 cities is a roller coaster ride through the emotional tunnel that makes him grow as an individual. Fun, emotional and touching, Abhay's story weaves trauma with hope, revenge with forgiveness, teaching two people the ultimate meaning of healing their uncomfortable past through love.
