The way everything comes together is breathtaking.” Goodreads reviewer. Secrets. Lies. Visions? If you think you know your history ... think again. When Selkie Moon escapes her abusive marriage and reclaims the name her dead mother gave her, she lands in Hawaii with a little red suitcase and not much else. As her reality crumbles around her, Selkie must learn to trust her psychic twinges and investigate every belief her life is built upon. And time is running out. What she discovers begins a journey that will take her around the globe to uncover one secret after another ... and summon the courage and resourcefulness to survive each one.
