The Essential Formbook

Gary A. Munneke 2000 This volume aims to help you to establish profitable, affirmative client relationships so you can avoid unnecessary risks associated with malpractice and disciplinary complaints. It provides information about law firm management structure models, use of ethics, and general counsel. Included is the Model Partnership Agreement Form and coverage of liability insurance, no goodwill, severance, and vacations, as well as potential problems including withdrawal,

disability, death, and payment obligations. Section Two - Client Intake and Fee Agreements - walks you through the intake process, including how to effectively gather information on new clients, manage the client selection process, make judgments, and use engagement and nonengagement letters.
