[CPB Exam Prep 2025-2026](#) Jennifer Schultz Book Description If you are preparing for the CPB certification exam, you already know what is at stake. Better job opportunities. Higher earning potential. Professional credibility. But passing the exam is not about reading random notes or memorizing definitions. It requires strategy, clarity, and focused practice. CPB Exam Prep 2025-2026 was designed for serious candidates who want results. This study guide breaks down complex billing concepts into clear, practical explanations that make sense in real clinical and administrative settings. You will not find confusing theory or unnecessary filler. Every chapter is structured to help you understand, apply, and retain what truly matters for exam success. Inside this guide, you will find: Clear explanations of medical billing fundamentals CPT®, ICD-10-CM, and HCPCS Level II coding principles Insurance claim processing and reimbursement workflows Revenue cycle management essentials Compliance and regulatory guidelines Realistic practice questions modeled after the actual exam format Detailed answer explanations to strengthen critical thinking The practice sections are designed to sharpen your accuracy and timing. Instead of guessing why an answer is correct, you will understand the logic behind it. That confidence carries into the exam room. Whether you are a first-time candidate, a recent graduate, or a working professional ready to advance your career, this guide provides the structure and repetition needed to reinforce learning and improve retention. Many candidates struggle not because they lack intelligence, but because they lack organized preparation. This book gives you a clear path, helping you focus on high-yield topics while eliminating distractions. Your certification can open doors. The right preparation can help you walk through them. Prepare with confidence. Practice with purpose. Pass with certainty.
