message to students: Good writing skills are  
both achievable and essential. Concise Four  
Basics boxes and engaging paragraph- and  
essay-writing chapters present writing  
instruction in clear, manageable increments. The  
Four Most Serious Errors and other sentence-  
level chapters cover grammar in a lively and

supportive way, with abundant opportunities for  
practice and application. As always, Susan Anker  
encourages students to connect what they learn  
with their own goals and with the needs and  
expectations of the larger world. In *Profiles of  
Success*, former students, now employed in a  
variety of professions, speak frankly about their  
experiences in school and after graduation, with  
examples of the types of writing their current  
jobs require. In this edition, Anker does far more  
to build students' critical thinking, critical  
reading, and argument skills and adds  
innovative new assignments, readings, and  
visuals.
