

# Adelaide Tv Programme Guide

*A Research Guide to Australian Politics and Cognate Subjects (ARGAP)*  
Henry Mayer 1976

*Media International Australia* 2001

Billboard 1957-08-26 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**Australian TV** Peter Beilby 1981

TV International 1961

**Historical Dictionary of Australian Radio and Television** Albert Moran 2007-09-10 Australians have become increasingly visible outside of the country as speakers and actors in radio and television, their media moguls have frequently bought up foreign companies, and people around the world have been able to enjoy such Australian productions as *The Flying Doctors*, *Neighbours*, and *Kath and Kim*. The origins, early development and later adaptations of radio and television show how Australia has gone from being a minor and rather parochial player to being a significant part of the international scene. The *Historical Dictionary of Australian Radio and Television* provides essential facts and information concerning the Australian radio and television industry. This is accomplished through the use of a chronology, a list of acronyms and abbreviations, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on directors, producers, writers, actors, television and radio series, and television and radio stations.

**Australian Film** Brian Reis 1997 Contains entries, many with descriptive annotations, on books, book chapters, periodical articles, government reports, academic theses, films, videos, and audio recordings published in Australia and elsewhere from 1988 to the early

and mid 1990s. Works cited embrace all aspects of Australian film considered as art, industry, and sociological phenomenon, except extremely technical aspects of filmmaking. Categories include film archives and libraries, production, super-8mm film, government and film, history and criticism, ethnographic film, biographies, and film criticism and reviews. Includes author, book title, and film title indices.
