**Sailing Made Easy** American

Sailing 2010-01-01 Sailing

Made Easy is the first step in a

voyage that will last you the

rest of your life. It is a gift from

a group of dedicated sailing

professionals who have

committed their lives to

sharing their art, their skill,

and their passion for this

wonderful activity. This book,

which Sailing Magazine called

"best in class" upon its release

in 2010, is the most

comprehensive education and

boating safety learn-to-sail

guide to date. It is also the

official textbook for the ASA

Basic Keelboat Standard (ASA

101). Incorporated in the

textbook are useful

illustrations and exceptional

photographs of complex sailing

concepts. The text's most

distinguishing feature is its user friendly "spreads" in which instructional topics are self-contained on opposing pages throughout the book. There are also chapter end quizzes and a glossary to help those new to sailing to navigate their way through the extensive nautical terminology.
