Quran: A Simple English Translation (Goodword ! Koran) Maulana Wahiduddin Khan (Translator) 2013-12-19
The Quran, a book which brings glad tidings to mankind along with divine admonition, stresses the importance of man's discovery of truth on both spiritual and intellectual planes. Every book has its objective and the objective of the Quran is to make man aware of the Creation plan of God. That is, to tell man why God created this world; what the purpose is of settling man on earth; what is required from man in his pre-death life span, and what he is going to confront after death. The purpose of the Quran is to make man aware of this reality, thus serving to guide man on his entire journey through life into the after-life. The main themes of the Quran are enlightenment, closeness to God, peace and spirituality.

The Quran uses several terms, tawassum, tadabbur, and tafakkur, which indicate the learning of lessons through reflection, thinking and contemplation on the signs of God scattered across the world. The present translation of the Quran and its explanatory notes are written keeping in mind these very themes. Koran, Qur'an, Coran, Kuran, Islam, Prophet Muhmmad

Kristen Barnes is a California girl through and through, who's become successful as an architect and interior designer catering to the rich and famous. Hired to work on a

special project in a small town in Massachusetts, she runs into trouble. Man-sized, stubble-coated and toolbox-equipped trouble. Oh, and cats. Lots and lots of cats. Ford Hamm has better things to worry about than the new woman in town. He's a divorced single father and a specialized contractor running his own business in a town that's slowly being taken over by the rich. Unfortunately, there's no escaping the annoying California woman - not on the construction site, and not when she's bringing him sweets, bonding with his teenage daughter, or making him think less-than-pure thoughts on a regular basis...

_____ This is a standalone, humorous small-town romance with a slow burn and described by readers as "sweet" or "clean". There are references to intimate relations, but no graphic details.

Supercharged Living Jane Pierotti 1999 A humorous guide to victorious living through hands-on application of God's promises and power to destroy failure and create success. Although written with the Christian market in mind, this book also has appeal in the self-help category.

Supercharged Living is a natural for multiproduct followers. Written with humor, Supercharged Living is filled with real-life examples from the author's life. Through her own experiences, Pierotti guides the reader to a model that changes fear-driven decision making into faith-living.
