ETDP SETA Scarce & Critical Skills Guide 2010/11

Faculty Perspectives on Vocational Training in South Africa Eunice Ivala 2019-03-06 The Cape Peninsula University of Technology (CPUT) is one of four Universities of Technology established by the South African government in 2005 with a focus on vocational training. This book presents faculty experiences of CPUT's innovative, work-integrated learning and teaching model, as well as findings from practice-based research being done in the institution. The purpose of this volume is to be a resource for other institutions in South Africa that wish to try similar strategies, as well as a to trigger a community of practice with vocationally oriented institutions outside of South Africa.

Getting Skills Right: South Africa OECD 2017-07-10 This report identifies effective strategies to tackle skills imbalances in South Africa.

Learning to teach in post-apartheid South Africa Yusuf Sayed 2018-11-28 Teacher education programmes seek to provide student teachers with the knowledge and expertise to provide quality teaching and learning in a diverse and challenging school context. Learning to Teach in post-apartheid South Africa: Student Teachers' Encounters with Initial Teacher Education addresses the complexities of teacher education programmes in preparing students to teach. It adds to the knowledge about teacher education, contributing critical understanding of education and the schooling system. The book provides important insights to deepen researchers, academics, teacher education providers, policy-makers, and students' understanding of the importance to address equity, redress, and quality in South African education in a post-apartheid era. This book further helps to build student teachers' capacities to work creatively and to become active and critical agents of transformation. It ultimately outlines the challenges face in designing and delivering successful Initial Teacher Education programmes, and the impact this has on delivering equitable and quality education.
