Mental Measurements Yearbooks, Tests in Print  
fills a pressing need for a comprehensive  
bibliography of all tests in print. Although these  
volumes are useful in and of themselves, their  
maximum usefulness requires the availability  
and use of the Mental Measurements Yearbooks.

Although information on available tests and  
specific test bibliographies is valuable, the  
greatest service which Tests in Print can  
perform is to encourage test users to choose  
tests more wisely by consulting the MMY test  
reviews, the excerpted test reviews from  
journals, and the professional literature on the  
construction, use, and validity of the tests being  
considered.
