TIME FOR KIDS® Practicing for STAAR Success:

Mathematics: Grade 3 (Spanish Version) Jennifer Prior

2017-01-01 Build third graders' conceptual knowledge and help them prepare for the STAAR Mathematics test through higher-level thinking problems and graphical representations from TIME For Kids. This resource provides practice problems across a wide range of question formats, including multistep problems, analytical charts and graphs, and griddable questions designed to demonstrate student understanding. With regular practice, test-taking anxiety can be reduced and students can build the following skills: express understanding of concepts, showcase mathematical thinking, generalize mathematical concepts, apply formulas and theories learned in the classroom to real-world

problems, build problem-solving strategies, use multiple mathematics tools, and reflect on mathematical concepts learned. This must-have resource is perfect to help promote the use of skills needed for success in the 21st century.
