Nine Days in Heaven, a True Story Dennis Prince 2011

Nine Days in Heaven relates the vision of twenty-five-year-old Marietta Davis more than 150 years ago, where she was shown the beauties of heaven and the horrors of hell. Told in modern language, the book contains poignant quotes from the original vision, as well as biblical teaching points and testimonials from individuals whose lives have been impacted with this vision during the past 150 years. Pull-out quotes from the original vision are included, as are short testimonials from readers whose lives have been impacted by this vision.

Teaching points and biblical comments appear throughout the chapters.

Summary of Dennis Prince

& Nolene Prince's Nine Days in Heaven Everest Media,

Please note: This is a companion version & not the original book. Sample Book Insights: #1 I had struggled with the big questions of life. I had reached some conclusions: money and fine things can never make you happy, and many religious traditions are unreliable. #2 I had become less and less aware of the physical things around me. My inner self seemed to become stronger and more aware. I then found myself in this amazing new world with the extraordinary experiences it brought me. #3 I was told that the human view of life is limited. We are all afraid of death, and we spend our days worrying about our family and friends, but we don't realize that we will all die one day. #4 There are many stories of people who have had visions of heaven. The true picture of what happens after

death is hidden from us so that we can have a genuine free choice to choose God or to reject Him.
