**The Sorcerer's Apprentice** Inga Moore 1989 A sorcerer's young apprentice attempts to practice magic in his master's absence, with disastrous results.

*A Sorcerer's Apprentice* John Herlosky 2015 Follow the fascinating story of one man's journey into the realm of the fantastic: the CIA-sponsored psychic spies with the ability to extend their consciousness to accurately describe targets not only half a world away but to look into the future as well. It all sounded like science fiction to John Herlosky after reading an expose by former member of the CIA's Project Stargate, Dr. David Morehouse. Two years later, skeptical but intrigued by the possibilities implied, John entered the classroom of Dr. Morehouse to find out the truth--and never looked back. *Sorcerer's Apprentice* is an autobiographical account of the author's experience learning the CIA-sponsored scientifically validated form of extrasensory perception called "remote viewing." The book chronicles the author's journey from interested skeptic to operational remote viewer working his first mission as well as his former life as a police officer and private military contractor. He takes you on a journey from the crushing depths and pathos of the wreck of the Titanic to the fate of a downed pilot missing for 19 years from the first Gulf War. Witness the personal turmoil as the author's long-held beliefs clash with the powerful implications of his experiences.

[The Sorcerer's Apprentice](#) Cyril Bavis 2017-12-13 Read Along or Enhanced eBook: Have you ever wished that instead of having to do your chores all by yourself that someone--or something--would help you get them done faster? That's exactly the way the sorcerer's apprentice felt one day when the sorcerer left him all alone to clean the castle, so he tried to do some magic of his own, and ended up in a bubbly mess! Ultimately the young apprentice finds that passion and hard work, tempered with patience and discipline, can make the most

magical dreams come true.

**The Sorcerer's Apprentice** Fiona Chandler 2015-05-01 When Max the lazy sorcerer's apprentice dabbles in magic beyond his abilities, he finds himself in a world of trouble. Can he fix everything before the old sorcerer returns, or will he find himself suddenly out of a job?! **The Sorcerer's Apprentice** Jack Zipes 2019-07-09 "The Sorcerer's Apprentice" might conjure up images of Mickey Mouse from the Disney film *Fantasia*, or of Harry Potter. As this anthology reveals, however, "sorcerer's apprentice" tales--in which a young person rebels against, or complies with, an authority who holds the keys to magical powers--have been told through the centuries, in many languages and cultures, from classical times to today. This unique and beautifully illustrated book brings together more than fifty sorcerer's apprentice stories by a plethora of writers, including Ovid, Sir Walter Scott, and the Brothers Grimm. From Goethe's "The Pupil in Magic" to A.K. Ramanujan's "The Guru and His Disciple," this expansive collection presents variations of a classic passed down through countries and eras. Readers enter worlds where

household objects are brought to life and shape-shifting occurs from human to animal and back again. We meet two types of apprentice: "The Humiliated Apprentice," a foolish bumbler who wields magic ineffectively and promotes obedience to authority; and "The Rebellious Apprentice" who, through ambition and transformative skills, promotes empowerment and self-awareness. In an extensive introduction, esteemed fairy-tale scholar Jack Zipes discusses the significance and meaning of the apprentice stories, the contradictions in popular retellings, and the importance of magic as a tool of resistance against figures who abuse their authority.

**Sorcerer's Apprentice** Walt Disney Company 1992 Apprenticed to a sorcerer, Mickey Mouse tries to save himself some work by making some magic.

**The Sorcerer's Apprentice** Ted Dewan 1998-09 A busy inventor makes a little robot to help him tidy his workshop ... but when the automatic apprentice decides to create another robot, things get totally out of control. Ted Dewan's dramatic artwork perfectly suits this witty and inventive retelling of this famous tale. *The Sorcerer's Apprentice* Charles Johnson 1986 In these eight fables and allegorical tales, the author writes of the events of this world as influenced by spiritual or strongly cultural forces.

**The Sorcerer's Apprentice** Charles Johnson 1994

*The Sorcerer's Apprentice* David Bronstein 199?

*The Sorcerer's Apprentice* Mary Jane Begin 2005
