*Consumer Math* GLOBE 1996 Success in Math helps students with varying learning styles master basic math concepts and prepares them for success on math competency tests. Student Texts This five-book softcover series breaks down core math concepts into short, manageable lessons that assume little background knowledge and are introduced in real-life context. In addition, chapter opener vocabulary lists and a glossary prove valuable for English language learners with below- or at-level math skills. Teacher's resources include answer Keys, as well as error analysis notes, alternative strategies for varied learning styles, problem-solving strategies, ESL notes, cooperative learning strategies, and reproducible masters are provided.
