Chief Inspector Armand Gamache of the Sûreté du Quebec investigating a sinister plot in the City of Light. On their first night in Paris, the Gamaches gather as a family for a bistro dinner with Armand's godfather, the billionaire Stephen Horowitz. Walking home together after the meal, they watch in horror as Stephen is knocked down and critically injured in what Gamache knows is no accident, but a deliberate attempt on the elderly man's life. When a strange key is found in Stephen's possession it sends Armand, his wife Reine-Marie, and his former second-in-command at the Sûreté, Jean-Guy Beauvoir, from the top of the Tour d'Eiffel, to the bowels of the Paris Archives, from luxury hotels to odd, coded, works of art. It sends them deep into the secrets Armand's godfather has kept for decades. A gruesome discovery in Stephen's Paris apartment makes it clear the secrets are more rancid, the danger far greater and more imminent, than they realized. Soon the whole family is caught up in a web of lies and deceit. In

order to find the truth, Gamache will have to decide whether he can trust his friends, his colleagues, his instincts, his own past. His own family. For even the City of Light casts long shadows. And in that darkness devils hide.

**All The Devils Are Here** Michael Saad  
2016-09-01 All The Devils Are Here - By Michael Saad  
At the age of 10, Mom gave me a puff of weed and Dad started cooking meth in the basement. Mom was always high. I thought all families were like that. But when the local gang broke into our home threatening everyone's life, I knew something was wrong with my family. Diane and Doug Trillamede fostered me at 14, supplying a supportive and loving home. The curse of drugs and all the devils threatening my life seemed to be gone. But they crept back. And now my brother and his family need help, before the devils consume them. From the author of White Army Stand and The Terrors of the Earth comes a story about the bonds of family, even if they are forged in chaos.

2009-09-23 And All the Devils Are Here weaves  
horror, humor and science fiction together into a  
genre-bending odyssey that leaves no stone of  
the supernatural unturned, including demonic  
possession, alien abductors and an inter-  
dimensional being that is certainly no angel. No  
topic is taboo, no belief system off limits as

sacred cows of ancient and modern thought are  
mutilated all along the way from the first page to  
the last. With engaging characters, an intricate  
plot and a pace that only occasionally lets the  
major players catch their breath, And All the  
Devils Are Here transcends stereotypical horror  
in favor of creating a story that refuses to fit into  
any convenient category.
