Business Acumen for Strategic Communicators

Matthew W. Ragas 2024-09-10 Drawing on Ragas and Culp's prior books, this workbook offers hands-on learning opportunities to help put newly acquired business acumen knowledge into practice. Through briefs, exercises and discussion activities readers will learn to analyze and interpret key business materials produced by companies and nonprofits organizations.

Using Investor Relations to Maximize Equity Valuation Thomas Ryan 2005-02-18 A practical guide to proactive investor relations (IR) Investor relations (IR) has traditionally been an administrative function within corporate communications, responsible for disseminating public information and answering investor and media questions. Using Investor Relations to Maximize Equity Valuation challenges this approach, by arguing that IR has been underutilized and then illustrating how it should be elevated to lead a strategic communications effort to preserve or enhance corporate value and lower a company's cost of capital. Divided

into four comprehensive parts, this book clearly describes capital markets strategies and tactical operations that these former, senior-level equity analysts and portfolio managers employ. Chad A. Jacobs (Westport, CT) and Thomas M. Ryan (Westport, CT) are the cofounders and co-CEOs of Integrated Corporate Relations.
