Technology for Translating, Visualizing, and Generating Recipes Chan Sin-wai 2025-11-19 This book details the process of building a Chinese-English machine translation system that automatically translates Chinese recipes into English through machine processing without human intervention (TransRecipe). This system is able to translate recipes into pictures and videos (VisualRecipe) through image technology and develop a system that generates a recipe from a video on dish preparation (GenRecipe) through deep learning. Recipe processing is covered in four parts across ten chapters. The first part, Translating Recipes, studies the machine processing of different parts of recipes for the construction of the TransRecipe system. The second part, Visualizing Recipes, is about the creation of the VisualRecipe system through image technology and a demonstration of its operations in practice. The third part, Generating Recipes, is about recipe creation through deep learning and the creation of the GenRecipe system. Lastly, the book concludes by looking into the future of recipe technology. The title is a vital read for researchers and students in translation technology, multimodal translation, and techno-humanities. Chapters 2, 8 and 9 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution-Non Commercial-No Derivatives (CC BY-NC-ND) 4.0 license.

The Gift of Southern Cooking Edna Lewis 2012-06-27 Edna Lewis—acclaimed author of the American classic, *The Taste of Country Cooking*—and Alabama-born chef Scott Peacock pool their unusual cooking talents to give us this unique cookbook filled with recipes and stories of two distinct styles of Southern cooking. Miss Lewis's specialty is Virginia country cooking and Scott Peacock focuses on inventive and sensitive blending of new tastes with the Alabama foods he grew up on, liberally seasoned with Native American, Caribbean, and African influences. Together they have taken neglected traditional recipes unearthed in their years of research together on Southern food and worked out new versions that they have made their own. Together they share their secrets for such Southern basics as pan-fried chicken, creamy grits, and genuine Southern biscuits. Scott Peacock describes how Miss Lewis makes soup by coaxing the essence of flavor from vegetables, and he applies the same principle to his intensely flavored, scrumptious dish of Garlic Braised Shoulder Lamb Chops with Butter Beans and Tomatoes. You'll find all these treasures and more before you even get to the superb cakes (potential "Cakewalk Winners" all), the hand-cranked ice creams, the flaky pies, and homey custards and puddings. Lewis and Peacock include twenty-two seasonal menus, from A Spring Country Breakfast for a Late Sunday Morning and A Summer Dinner of Big Flavors to An Alabama Thanksgiving and A Hearty Dinner for a Cold Winter Night, to show you how to mix and match dishes for a true Southern table. Interwoven throughout the book are warm memories of the people and the traditions that shaped these pure-tasting, genuinely American recipes. The result is a joyful coming together of two extraordinary cooks, sharing their gifts. And they invite you to join them.

The Best Simple Recipes America's Test Kitchen 2010-03-01 The Best Simple Recipes offers more than 200 full-flavored easy-to-prepare recipes that can be on the table in 30 minutes or less in an easy-to-read paperback format. Just because time is short, it doesn't mean you have to settle for a can of soup or a sandwich for dinner, or making one of the many boring and flavorless fast recipes (which often aren't even as fast as they promise). Our test cooks have created more than 200 recipes that keep the ingredients and cooking time to a minimum and offer tons of flavor and plenty of variety. By combining steps, minimizing pans, and employing a little test kitchen trickery, our test cooks have made naturally fast recipes even faster, and they've made recipes that traditionally take hours ready for the table in half an hour. And while they used a minimum of ingredients, one thing they didn't minimize was

flavor.

100 Recipes Every Woman Should Know Cindi Leive 2011-04-05

Once upon a time, there was an easy roast chicken recipe, handed down by a fashion editor at Glamour magazine to her assistant, who was in search of a dish to prepare for dinner with her boyfriend. She made the chicken. Her boyfriend loved it. He had seconds. And shortly thereafter, he proposed. But that's not all: Three more young women at the magazine made the chicken for the men in their lives who then, in short order, popped the question. Glamour published the recipe—dubbing it, naturally, Engagement Chicken—and since then, the magazine's editors have heard from more than 60 women who have gotten engaged after making the dish. Commitment-phobes be warned: This bird means business! Of course, there is more to life than weddings. And there's more to this cookbook than Engagement Chicken. 100 Recipes Every Woman Should Know also includes 99 of the magazine's other most-loved, best-reviewed dishes, all designed to get you exactly what you want in life, exactly when you want it. From Prove to Mom You're Not Going to Starve Meat Loaf to Impress His Family Chardonnay Cake, these recipes will help you cook with passion and persuasion. And they're all written with your real life and real needs in mind. Because whether you're a novice or an expert, cooking should never be intimidating—and it should always be fun. Don't miss these easy, essential recipes: He Stayed Over Omelet Skinny Jeans Scallops No Guy Required Grilled Steak Let's Make a Baby Pasta Forget the Mistake You Made at Work Margarita Bribe a Kid Brownies Hers and His Cupcakes "Recently I met some beautiful young women from Glamour magazine. They make a roast chicken they call 'Engagement Chicken' because every time one of them makes it for her boyfriend, she gets engaged! How wonderful is that! That's the best reason I ever heard to make a roast chicken." -Ina Garten, Barefoot Contessa cookbooks

On the cutting edge of kitchen science, Kamozawa and Talbot regularly consult for restaurants to help them solve cooking conundrums. And yet they often find it's the simplest tips that can be the most surprising—and the ones that can help home cooks take their cooking to a new level. With this book, you'll learn: • Why steaming potatoes in the pressure cooker before frying them makes for the crispiest French fries • Why, contrary to popular belief, you should flip your burgers often as you cook them for the best results • How a simple coating of egg white, baking soda, and salt helps create chicken wings that are moist and juicy on the inside with a thin, crackling exterior • How to cook steak consistently and perfectly every time • How to make easy egg-free ice creams that are more flavorful than their traditional custard-base cousins • How to make no-knead Danish that are even better than the ones at your local bakery • How to smoke vegetables to make flavorful vegetarian dishes • Why pâte à choux—or cream puff dough—makes foolproof, light-as-air gnocchi • How pressure cooking sunflower seeds can transform them into a creamy risotto • How to elevate everyday favorites and give them a fresh new spin with small changes—such as adding nori to a classic tomato salad Sharing expert advice on everything from making gluten-free baking mixes and homemade cheeses and buttermilk to understanding the finer points of fermentation or sous-vide cooking, Kamozawa and Talbot chronicle their quest to bring out the best in every ingredient. With a focus on recipes and techniques that can help anyone make better meals every day and 75
