## **The Complete Guide to Auto Body Repair, 2nd Edition** Dennis Parks 2015-09-30

Everything you need to know about auto body repair--updated and revised to cover water-based paints, the latest panel adhesives, and other body repair technologies. The only thing more reliable than rising gas prices is the wear

and tear your car endures over its lifetime. Knowing how to repair your car without taking it to the body shop is a valuable skill for any car lover. If you want to restore, modify, or just fix up any car, from collector to custom, this is the book for you. In this updated and revised edition, author Dennis Parks covers new tools and techniques for dealing with ever-changing vehicular guidelines and technologies. New photography and updated step-by-step projects cover the latest information on panel adhesives, improved repair strategies, unibody vehicles, media blasting, panel overhaul and replacement, and tools and techniques for water-based paint products. The Complete Guide to Auto Body Repair provides all the information you'll need to deal with any bumps, bangs, and bruises your car encounters, as well as the many repairs

required during a car restoration project. From tools to materials to techniques, this book takes you all the way through the process. Learn how to disassemble, repair, and reassemble bodywork, as well as how to prepare surfaces for paint. The Complete Guide to Auto Body Repair equips you with all the information needed to return your car to its former glory and avoid paying a body shop for work you can do yourself.
