

Economics Chapter Questions

It has fields bordering on other areas, including economic geography, economic history, public choice, energy economics, cultural economics, family economics and institutional ... Mar 22, 2026 · Economics is a social science that studies how individuals, businesses, governments, and nations make decisions about allocating limited resources. It examines how ... Trusted daily reporting and news analysis. Make sense of politics, economics, business and technology with articles, podcasts and videos. Economics is the study of how humans make decisions in the face of scarcity. These can be individual decisions, family decisions, business decisions or societal decisions. In the 20th century, English economist Lionel Robbins defined economics as “the science which studies human behaviour as a relationship between (given) ends and scarce means which ...
